Tierra and Ki get married

August 10, 2013

I vow

I vow

as your protector, to watch over your
guiding light, ~~to~~ ^{creating} space for your
divine unfoldment, into ~~the~~ your goddess
who shines so so bright.

I vow

as your enthusiast, holding the energy
for your truth to unfold, remaining
always present the ~~ever~~ deep spiritual
being I feel ~~inside~~ at the core, as
we are young and as we grow old.

I vow

as your lover, sourcing the ever
present well of love within, to love
as the sun does love the earth and creates
a world where life begins.

I vow

as your partner, everyday walking
this journey of life, ever present
by your side, to ^{manage} ~~manage~~ ^{my}
~~irritation and frustration~~...

giving you all the space to grow as you
grow - while ~~the~~ embracing the full
spectrum of the life this human existence
has to offer with each day dropping
deeper, deeper, and ever so deeper into that
well that sits at the core of this mother
earth - below us and now shared b/w us

This is what I vow

This is what I choose.

I choose you to share ~~the~~ this adventure with.

and to shine from my heart.

Ki Karo. I choose you.

To live life ~~beside~~ and to
be my dance partner too.

~~You are here with me and~~
I am here with you

There is not much more that we
need to do.

So I just let go and I let you in
and I know in my heart this is
where it all begins.

We are two bright souls here to share
this life through the laughs and
the cries, ~~and~~ the ease and the strife.

You are the one, you are the sun
I open my heart and I let the
love run.

I am here with you committed to
doing my part - to receive your light

I need you, the man that I
know, you are the one who ~~pushes~~ me
to grow

Don't worry dear, I'll ~~stand~~ ^{be pushing} you
right back - letting you know
when you're out of line and where
to get back on track.

I lead you and you lead me
I know right here is where
I'm meant to be.

You are the one, you are
the sun

I open my heart and I let
the love run!

Ki Karo, I choose you.
To live life beside and
to be my dance partner too.

You are here with me, and
I am here with you

There is not much more that
we need to do.

So I just let go and
I let you in, and I know
in my heart this is where
it all begins.

You are the one, you are the
sun, I open my heart and
I let the love run.

I am here, committed to doing
my part - to receive your light
and shine back from my heart.
